### PRESIDENTS REPORT: GLORIA CORSINO

Good evening welcome to the September Calendar Meeting for the Citywide District 75 Council. My name is Gloria Corsino, I was elected as the President for the CD75 and I would like to introduce our returning and new council members to you. The council's Executive Board members are First VP Gloria Smith, Second VP, Valerie Williams, Treasurer, Audrey Dunlap and Secretary, Celia Green. Council members are Jackie Pierre-Louis, Rebecca Green, Able Alagbe, Wanda Scott and Aliya Rasool, Public Advocate Appointee.

The council members are focused on working hard for the improvement of our children's education.

There are many concerns we will need to continue to address such as:

- Co-locations
- Lack of Space
- Related Services
- Charter Schools
- DOE Transparency and Notification in a timely manner.
- Busing

Our council has represented parents within District 75 first as the Citywide Council on Special Education and when the laws changed July 1, 2010 the parents of District 75 wrote letters and signed petitions to ensure that their children had a unified voice that would continue to represent District 75.

We have fought for the parents when it came to their child's IEP; Busing, supported Principals, the superintendent and addresses any other concerns that have come to our attention.

We will continue to work at partnering with and building a relationship with outside community based organizations, all CEC's as well as continuing to gain the respect and support of the parents and most important be the voice for the children of District 75.
