## Citywide District 75 Council Community Outreach Letter

September 2019

Dear Parents of District 75:

We hope you and your family had a wonderful summer and hope you are ready for the 2019-2020 school year.

We are the *Citywide Council for District 75 (CCD75), officially elected advocates who represent the parents and students of District 75 schools and programs throughout the five boroughs within New York City.*

On our council we have a diverse group of parents some of whom are fluent in Spanish possess knowledge of Special Education rules, regulations and laws. The council has established working relationships with community based organizations, educational coalitions, education attorneys, as well as elected government officials.

Every month we have a Calendar Meeting open to the Public where we invite experts to address topics on education and advocacy. During our meeting, we also conduct Q&A Sessions for the public and address parent’s private concerns. Upon request, we can provide translations services and interpretation.

In an effort keep parents informed we are requesting that you provide us with your contact information. This way when we have our meetings, events and our annual end of the year celebration, we can extend an invitation to you.

**We would like to extend our outreach to you with a text message when we host our calendar meeting or any events related to the CCD75. Please check your preference:  Yes, send me a text msg.  No, not interested in text msg.  Emails and text msg.  Email only**
